Surgical pearls for achieving the best results in breast augmentation. 1anatomical vs round implant

Patrick Mallucci

11:46 - 11:54

LATAM style in breast augmentation

Humberto Uribe Morelli

11:54 - 12:02

My best breast augmentation: personal insights and tips

Carlos Manfrim

12:02 - 12:10

Interactive discussion, consensus conference - Ernesto M. Buccheri**SESSION 3****Challenges in Breast Augmentation**

12:10 - 12:30

Key note lecture

Per Heden

12:30 - 12:40

Lower pole constricted breast

Ernesto M. Buccheri

12:40 - 12:50

Enhancing beauty: mastering short scar techniques in breast augmentation

Humberto Uribe Morelli

12:50 - 13:00

The real 24 hours for difficult cases management

Thiago Cavalcanti

13:00 - 13:20

Interactive discussion with AMBER - Maurizio Nava

co-chair Paolo Montemurro

SESSION 4**Controversial issues, right or wrong we want the truth!**

13:20 - 13:45

Drainage or not drainage this is the problem

Roy de Vita, Paolo Montemurro

Interactive discussion with AMBER - Yoav Barnea

co-chair Giovanni Botti

13:45

Lunch

14:45 - 15:15

All around infra mammary fold

Henrique Freitas, Maurizio Nava

Interactive discussion with AMBER - Ondrej Mestak

co-chair Mario Pelle Ceravolo

15:15 - 16:15

Sponsor Session

From problem to solution: hands-on clinical case selection and implant surface.

KOLs from companies

Capsular contracture
Waterfall deformity
Implant displacement
Double bubble and bottoming out

15:00 - 16:40

Navigating the first consultation: bridging the gap from desk to operating room

| Paolo Montemurro
| Carlos Manfrim
| Ondrej Mestak
| Roy De Vita

Discussion, voting and election by Per Heden

SESSION 5**The journey of augmentation mastopexy**

16:15 - 16:25

Preoperative planning: the periareolar approach

Mario Pelle Ceravolo

16:25 - 16:35

How to achieve stability and long-lasting results in augmentation mastopexy with the help of the AI

Giovanni Bistoni

16:35 - 16:45

Finding the right choice in augmentation mastopexy

Giovanni Botti

16:45 - 16:55

Managing of difficult cases and revision in augmentation Mastopexy

Paolo Vittorini

16:55 - 17:05

Asymmetry repair in augmentation mastopexy

Yoav Barnea

17:05 - 17:35

Interactive discussion with AMBER - Demetris Stavrou

co-chair Roberto Bracaglia

17:35 - 18:05

Coffee break

AMBER presents 2025 2nd edition**SESSION 6****Challenges in mastopexy and breast reduction**

18:05 - 18:15

Managing the explanted breast incorporating mastopexy

Marc Pacifico

18:15 - 18:25

Breast Mastopexy, my key for long lasting results

18:25 - 18:35

The role of dermo-adipose inferiorly based flap in breast mastopexy and reduction

Barbara Cagli

18:35 - 18:45

Breast lipo-reduction

Giovanni Botti

18:45 - 19:15

Interactive discussion with AMBER - Roy de Vita

co-chair Carlos Manfrim

AMBER officially concludes the day

8:00 - 08:15

AMBER and D. TAMBASCO presentation

SESSION 1

Taking lipoabdominoplasty to the next level

8:15 - 8:45

Keynote Lecture: 20 YEARS OF LIPOABDOMINOPLASTY
Osvaldo Saldanha

8:45 - 8:57

Raft abdominoplasty
Stefan Danilla Enei

8:57 - 9:09

Changing the scar paradigm in Lipo-abdominoplasty after massive weight loss?
Damiano Tambasco

9:09 - 9:21

Functional restoration: enhancing results through diastasis correction in lipoabdominoplasty
Alessio Caggiati

9:21 - 9:45

Interactive discussion with AMBER - Stefania De Fazio
co-chair Mauricio Viaro

9:45 - 10:45

Sponsor Session

Beyond limits: optimizing results with cutting-edge body contouring technologies
KOLs from companies

9:45 - 10:45

Surgical intelligence: harnessing AI for enhanced plastic surgery
Leveraging AI for enhanced practice and profitability
| Chair: Carlo Magliocca

10:45 - 11:15

Coffee break

SESSION 2

Taking HD liposuction to the next level

11:15 - 11:27

Five Steps Technique for HD liposuction
Humberto Uribe Morelli

11:27 - 11:39

U-GRAFT
Mauricio Viaro

11:39 - 11:51

Long term results in HD Lipo: the European Concept of Beauty
Jordi Mir

11:51 - 12:03

The 7 deadly signs of fake definition lipo
Stefan Danilla Enei

12:03 - 12:15

Abdominal Ultradefinition through muscle volumization
Caroll May

12:15 - 12:45

Interactive discussion section with AMBER - Carlos Manfrim
co-chair Pierfrancesco Cirillo

SESSION 3

Debate in Focus Session

12:45 - 13:15

Navigating the future of liposuction: deep, superficial or technology-driven?

Christian Montes and Jordi Mir | **Moderated by** Damiano Tambasco

13:15 - 14:00

Sponsor Session

The secret to lasting beauty: the importance of post-operative care in body contouring

KOLs from companies

13:15 - 14:00

Painting success: the importance of pre-operative drawings

Live Session of male and female HD LIPOSUCTION drawings

| Chair: Humberto Uribe Morelli

14:00 _____ Lunch

SESSION 4

Taking trunk, arms and legs contouring to the next level

15:00 - 15:12

Dinamic definition in male

Mario Mendanha

15:12 - 15:24

RibXcar

Mauricio Viaro

15:24 - 15:36

UGraft: video cadaver lab

Mauricio Viaro

15:36 - 15:48

Planning and suture: keypoints in brachioplasty

Claudio Bernardi

15:48 - 16:00

Hemostatic net for male chest reshaping

Gianluca Campiglio

16:00 - 16:12

Lipedema: the disease they call fat

Heloise Manfrim

16:12 - 16:30

Interactive discussion with AMBER - Jordi Mir

16:30 - 17:00 _____ Coffee break

SESSION 5

Taking buttock contouring to the next level

17:00 - 17:12

New trends in buttock reshaping

Jordi Mir

17:12 - 17:24

Modern gluteus surgery with Biconvex prosthesis and Xpine definition

Arturo Amoroso

17:24 - 17:36

KA method: the way to get consistency on gluteal fat grafting

Carlos Manfrim

FRIDAY **25th** 20
October 24

BODY CONTOURING

ROOM A

17:36 - 17:48

4th Generation Body Lift: combining technologies and techniques

Stefan Danilla Enei

17:48 - 18:00

Three-dimensional gluteoplasty with adipose self prosthesis and buttocks lipofilling

Paolo Vittorini

18:00 - 18:30

Interactive discussion section with AMBER - Mario Mendanha

co-chair Thiago Cavalcanti

LIPS

09:00 - 09:10

Ethics and Aesthetics

Gabriele Muti

09:10 - 09:20

Male lips

Raffaella Sommariva

09:20 - 09:30

Lips and Chin

Caterina Cerretani
